

Bighorn-Desert View Water Agency

NEWS LETTER

Providing a high quality supply of water and reliable service to all customers at a fair and reasonable rate.

Summer 2017

Consumer Confidence Report (CCR)

Beginning June 30, 2017 the year-ending 2016 CCR Report will be posted on the web-site at <http://www.bdvwa.org/ccr/>. This annual drinking water quality report will also be available at the agency business office at 622 S. Jemez Trail, Yucca Valley.

To request a copy via mail, please contact our office at 760-364-2315 or email your request to info@bdvwa.org

Topics include, but are not limited to the following:

- A brief summary of the risk of contamination of the local drinking water source.
- Any regulated contaminant(s) found in local drinking water.
- The potential health effects of any contaminant detected in violation of an EPA health standard.

Don't Fence Me In.....

The Agency reminds us that all water facilities are to be kept clear of obstructions such as fences, structures, concrete or asphalt. So please be sure to keep the water meter outside of your enclosure.

Additional Information

Office staff is available at 760-364-2315 to assist you with infrastructure/meter location. Also, the County of San Bernardino has published "Public Easements, A Property Owners Guide". Call or email our office if you would like a copy.

Drink Local Water....

We already pay for high quality water to be delivered to our tap.
Why pay again for bottled water?

Bighorn-Desert View Water Agency would like you to know that some of the best water around may be right underneath your feet.
